**Successful career gal Kendall Haynes is tired of wishing on stars for a home and a family. Can God's dreams for her be even better than her own?**

Is life about accomplishing plans . . . or wishes coming true . . . or something more?

Dr. Kendall Haynes's plans to have it all—a career, a husband, a family—are eluding her. Now that she's thirty-six, she needs to stop wishing upon a star and face reality: Some dreams just never come true.

Air Force pilot Griffin Walker prefers flying solo in the air and on the ground—until a dangerous choice ejects him from the cockpit. His life becomes even more complicated after the sudden death of his parents makes him the guardian of his sixteen-year-old brother. There's no way his life will ever get back on course now.

When their lives collide during a near tragedy, Kendall and Griffin must decide if they can embrace the unexpected changes God has waiting for them.
