Edge of Sanity: An Edge Novel Shannon K. Butcher

Brace yourself for cutting-edge suspense in the scorching third novel of Shannon K. Butcher's new action-romance series...

“I NEED TO KNOW IF ANYONE WAS KILLED LAST NIGHT.”

In his years working for the private security firm The Edge, Clay Marshall has seen it all. But the recent blackouts he's been having are new. So is waking up with blood on his hands and clothes, with no memory of where the blood came from—or who he might have killed. He hates to admit it, but he needs help.

Dr. Leigh Vaughn has treated other Edge employees before, but from the moment she sees him for the first time, Clay strikes her as a special breed of man. She knows he's dangerous, and distrustful of doctors, but she finds herself drawn to him even as his own steely exterior gives way to his growing desire for her.

Neither knows, however, that Clay is being used as a pawn in a larger experiment, and that his blackouts are only the first step toward a terrifying goal. And both Leigh and Clay will put themselves in harm's way to stop an unseen enemy—and to save one another.
