## Omega City Diana Peterfreund

The first middle grade novel in an exciting new series from acclaimed author Diana Peterfreund, perfect for fans of *The Goonies* and *The City of Ember*.

Gillian Seagret doesn't listen to people who say her father's a crackpot. His conspiracy theories about the lost technology of Cold War–era rocket scientist Dr. Aloysius Underberg may have cost him his job and forced them to move to the middle of nowhere, but Gillian knows he's right and plans to prove it.

When she discovers a missing page from Dr. Underberg's diary in her father's mess of an office, she thinks she's found a big piece of the puzzle—a space-themed riddle promising to lead to Dr. Underberg's greatest invention. Enlisting the help of her skeptical younger brother, Eric, her best friend, Savannah, and Howard, their NASA-obsessed schoolmate, Gillian sets off on a journey into the ruins of Omega City, a vast doomsday bunker deep inside the earth,.

But they aren't alone inside its dark and flooded halls. For while Gillian wants to save her dad's reputation by bringing Dr. Underberg's secrets to light, there are others who will stop at nothing to make sure they stay buried . . . forever.

Nowadays reading books be a little more than want or need but also get a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The info you get based on what kind of e-book you read, if you want get more knowledge just go with training books but if you want experience happy read one using theme for entertaining like comic or novel. The Omega City is kind of reserve which is giving the reader unpredictable experience.

#### **Timothy Reed:**

Reading a book tends to be new life style within this era globalization. With reading you can get a lot of information that can give you benefit in your life. Using book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their reader with their story as well as their experience. Not only the storyplot that share in the ebooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on this planet always try to improve their expertise in writing, they also doing some analysis before they write on their book. One of them is this Omega City.

#### **Joy Rodriguez:**

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Omega City can make you truly feel more interested to read.
