The Garden at Chatsworth The Duchess of Devonshire

Four hundred years in the making, the garden at Chatsworth House, Derbyshire, seat of the dukes of Devonshire, is a magnet for millions--from Jane Austen, who is rumored to have enshrined it in *Pride and Prejudice*, to today's visitors from all corners of the globe. In *The Garden at Chatsworth* the duchess herself tells the story of its many parts with a light, urbane touch that belies her formidable historical and horticultural knowledge. Magnificent color photographs by Gary Rogers, authoritative text, and endpaper maps bring alive the garden's 105 acres--from statuary to topiary, from fountains to floral vistas.
