## MAXIMUM RETENTION--MINIMAL TIME

*"This is an excellent review of pharmacology for the student who is looking to identify his/her strengths and weaknesses prior to the exam." -- Alexis Dallara, Fourth Year Medical Student, SUNY Downstate College of Medicine*

*"The beauty of this text is that it includes essential pharmacology concepts in a compact book that can be quickly referenced and read multiple times during the course of a student's studies. I would definitely recommend it to any medical student." -- Rosalyn Pham, Fourth Year Medical Student, University of Washington Medical School*

*Deja Review: Pharmacology* boils down your coursework to just the critical concepts you need to know for exam success. This unbeatable guide features a quick-read "flashcard" Q&A format--specifically designed to help you remember a large amount of pertinent information in the least amount of time possible. The format allows you to zero-in on only the correct answers to promote memory retention and get the most out of your study time. Great for last minute review of high-yield facts, *Deja Review* provides a straightforward way for you to assess your strengths and weaknesses so you can excel on your course exams and the USMLE Step 1.

- Active recall questions allow you to *understand*, not just memorize, the content
- Clinical vignettes at the end of chapters prepare you for board-style questions
- Portable size for study on the go--fits in your white coat pocket
- Bookmark included to guide you through easy-to-use flashcard presentation
