Greeks in Houston (Images of America) Irene Cassis, Constantina Michalos

This history of the Greeks in Houston is really the story of individuals who worked diligently to forge new lives for themselves even as they maintained their Greek identity and their Orthodox faith. The efforts of many of the founders are immortalized in the buildings that constitute the Annunciation Greek Orthodox Cathedral complex. Their names remind us of their hard work and commitment to establishing their koinonia (communion) in Houston. There are many other names that have gone unremarked over the decades but to whom we owe just as much for their tenacity and dedication. And there are the new generations who inherited this legacy and keep it vibrant through the stewardship of their faith and culture.

From reader reviews:

Samantha Flowers:

Playing with family inside a park, coming to see the coastal world or hanging out with friends is thing that usually you could have done when you have spare time, and then why you don't try point that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Greeks in Houston (Images of America), you could enjoy both. It is fine combination right, you still desire to miss it? What kind of hang type is it? Oh seriously its mind hangout folks. What? Still don't have it, oh come on its named reading friends.

Ronald Smith:

This Greeks in Houston (Images of America) is great guide for you because the content and that is full of information for you who have always deal with world and possess to make decision every minute. This specific book reveal it information accurately using great plan word or we can state no rambling sentences inside. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but difficult core information with splendid delivering sentences. Having Greeks in Houston (Images of America) in your hand like getting the world in your arm, information in it is not ridiculous 1. We can say that no reserve that offer you world throughout ten or fifteen small right but this publication already do that. So , this is good reading book. Hello Mr. and Mrs. busy do you still doubt this?

Lionel Gutierrez:

Reading a book being new life style in this 12 months; every people loves to go through a book. When you go through a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, and soon. The Greeks in Houston (Images of America) will give you a new experience in reading through a book.

Gloria Lafreniere:

Some individuals said that they feel bored when they reading a book. They are directly felt that when they get a half portions of the book. You can choose the book Greeks in Houston (Images of America) to make your own reading is interesting. Your current skill of reading talent is developing when you such as reading. Try to choose simple book to make you enjoy to see it and mingle the idea about book and examining especially. It is to be very first opinion for you to like to start a book and learn it. Beside that the reserve Greeks in Houston (Images of America) can to be a newly purchased friend when you're truly feel alone and confuse with the information must you're doing of these time.
