Whatever we're searching for – more money, better health or a new relationship – our dreams hold the key. Without dreams the world would not be as it is. Did you know that Einstein's theory of relativity, the Periodic Table, Elias Howe's sewing machine and Paul McCartney's Yesterday all came from dreams? Now it's your turn to discover your dream genius!

Practicing shaman Davina Mackail draws on her substantial professional experience and her own fascinating journey (from the foothills of the Himalayas to the glacial peaks of the Andes!) to bring us this in-depth exploration of the topic, demystifying dreams without detracting from their magical potential. Brought to life with dream stories from Davina's clients, this unique study of the dream world will teach you how to interpret your dreams and exactly what techniques you need to begin creating your perfect life.
