Pornography, cybersex, prostitutes, voyeurism, multiple affairs. No matter their "drug" of choice, men who act out sexually leave their partners reeling in fear, rage, incredible shame, and isolation.

But there *is* hope.

In *Deceived*, bestselling author Claudia Black offers women in relationships plagued by sexual betrayal the care and guidance to create a new path of clarity, direction, and confidence. Black uses stories of real women who have been through a wide variety of experiences to help readers develop the understanding and skills to:

- confront their partners
- heighten their personal security by setting nonnegotiable boundaries
- avoid preoccupation with their partners' problems
- practice forgiveness
- let go of the uncontrollable
- talk to their children
- make positive changes derived from esteem and integrity

*Deceived* teaches women how to proactively emerge from emotional isolation, shed secrets and shame, and discover their power to incite positive change in their relationships
