## **Portals to Freedom** Howard Colby Ives

*Portals to Freedom* is an intimate portrait of one of the most significant religious figures in recent history, Abdul-Baha—the son and appointed successor of the Prophet of the Bahai Faith.

Author Howard Colby Ives offers us a remarkably candid and honest description of his own personal spiritual search as a Unitarian minister struggling with questions of faith and spirituality. His search ultimately led him to a discovery of the Bahai Faith just a short time before Abdul-Baha arrived in North America in 1912 on a quest to share the teachings and vision of his father with the people of the West.

In *Portals* we get not only Ives's personal reflections and inner struggles, but a fascinating eyewitness account of the words and actions of one who has been described by his Prophet-father as “the Mystery of God,” is considered by Bahai's to be the perfect exemplar of the Faith's teachings, and who emerged from a lifetime of exile at the hands of the Ottoman Empire to travel tirelessly and share the Faith's message of unity in a profound and loving manner that touched the hearts of all with whom he came in contact.
