Sexualidade, gênero, diversidades (Portuguese Edition)

Sexualidade, gênero, diversidades (Portuguese Edition)

Na presente coletânea, dentre tantas questões possíveis, debruçamo nos em torno do que poderíamos chamarem algum momento de “desqualificado”. Buscamos oferecer visibilidade ao invisibilizado historicamente: jovens institucionalizados e/ou produzidos como delinquentes, a convivência com o HIV/Aids, mulheres deficientes físicas, paternidades negadas e/ou produzidas pelos dispositivos jurídicos, ações políticas e efeitos de subjetivação como na militância feminista, as políticas públicas como a do SUS e seus efeitos e implicações na subjetivação dos homens, mulheres violentadas e o aparato legal, práticas sexuais divergentes da heteronorma e das prescrições de cuidados, redes sociais como o Orkut e formas de controle. A diversidade presente nos textos reunidos, embora inclua perspectivas teóricas distintas, guarda o caráter de problematizar e criticar as verdades tidas como absolutas e a-históricas. Importa-nos desnaturalizá-las, historicizá-las, questionar seu caráter normativo, profaná-las, não temer a instabilidade das teorias, dos conceitos, das categorias, das práticas e dos processos.
