THE HISTORIC SAGA BEGINS

Born in the twilight years of Vulcan's violent and passionate past, those who declared themselves *Rihannsu* chose to reign free in the unknown reaches of space rather than to serve under the new tyranny of logic. Having severed themselves from their homeworld, they survived the perilous voyage across the stars to wash ashore on a distant planet, there to begin the civilization that would one day flower into the Romulan Star Empire.

Now, after millennia of wars and conquests, that empire is decaying from within, surrendering its noble heritage to reckless ambition, abandoning honor for kidnapping and murder. The corruption is so great that the Rihannsu's finest military officer -- Commander Ael t'Rllailieu of the warbird *Bloodwing* -- believes she can save her people only by joining forces with her greatest enemy: Captain James T. Kirk of the *Starship Enterprise*[™].

Meanwhile, on the Romulan homeworld, a Federation deep-cover agent has been posing as a household servant named Arrhae i-Khellian -- but her operation takes a strange turn when a captured Starfleet officer is brought to her home . . .

The lives of Ael, Arrhae, and the crew of the *Enterprise* come together in these astonishing adventures -- originally published in four volumes: *My Enemy, My Ally*; *The Romulan Way*; *Swordhunt*; and *Honor Blade* -- that will challenge everything you thought you knew about the Romulans.
