Surprised by Healing: One of the Greatest healing Miracles of the 21st century Delores Winder, Bill Keith

It was on August 30, 1975, when Delores Winder attended a Methodist Conference on the Holy Spirit in Dallas, Texas, where Kathryn Kuhlman was speaking, that the above Scripture became a reality in her life. Facing death, terminally ill with pseudo-arthritis and having been in a body cast for over fourteen years, Delores was only seeking to receive something from God that she could leave with her young son Chris when she died. She received the answer that night in Dallas, as she felt the very presence of the living God surrounding her. Never having seen a miraculous healing take place and believing that supernatural healing ended with the apostles, Delores was not praying for a physical miracle. However, we have a God that is able to do exceeding abundantly above all that we ask or think, and she was transformed from hopelessness to wholeness, set free from the disease that had her bound. God is no respecter of persons, and what He did for Delores, He will do for you. Always remember, joy comes in the morning, for regardless of any need you may be facing, God is with you, and there is nothing impossible with Him!
