Arabian Nights, The: A Companion Robert Irwin

A generous and erudite book...We're in the company of someone who loves The Arabian Nights, and who has generously shared that love with us through this companion.' - Michele Roberts, Independent on Sunday

'Superlative...just the sort of relaxed, informative book that Edmund Wilson might have written had he grown interested in the Middle East and its early literature.' - Michael Dirda, Washington Post

'Irwin organizes his material like a good storyteller...he gives us the crystallized sum of The Nights: anecdote, history, moral fable, aphorism, story after story, wonder upon wonder. This monumental, infinitely faceted gem should be every writer's bedtime sampler.' - Michael Moorcock, New Statesman & Society

'A work both learned and witty...Robert Irwin has wonderfully deepened the pleasures and the interest in reading The Arabian Nights as a supreme work of imaginative fiction.' - Marina Warner, TLS
