Flashback Michael Palmer

Toby is eight years old. He had a routine operation. It was fine. Now he's gone home to terror. Months have passed. But Toby still bursts into tortured screams. Because something is very wrong. Toby can remember every moment of the operation. All the trauma. All the pain. He relives every horrifying detail of surgery while he's awake. Now someone must expose the unspeakable truth about this hospital. Or else an innocent child will die. And he won't be the last. The next victim is being wheeled into surgery right now.
