This new addition to the best-selling series of Group's Throw & Tell Balls is your secret weapon when you finish a lesson early, kids show up grumpy, or you need an icebreaker-fast! Simply inflate a sturdy, colorful ball and let kids toss the ball around for a few seconds. When you call "Time," the child holding the ball reads what's written under his or her left thumb-and then everyone answers (or the child answers, depending on how you choose to play). Kids love the Throw & Tell Balls, and you'll love seeing them open up, laugh, and connect with one another in this new way. Great for an icebreaker or to help kids get to know one another...this ball is loaded with questions that'll encourage kids to learn about each other and find common connections! Questions such as: "Where's the most exciting place you've ever been...tell us about it?" "What's your favorite food and why?" "Who is your hero and why are they your hero?" The All About Me Ball is a great way to help kids grow relationships with those they see weekly!
