**In Calia Read's electrifying and steamy novel of psychological suspense, a handsome stranger shatters a beautiful young woman's picture-perfect vision of her past.**

*Hold your breath and count to ten. Soon it will be over before it ever began.*

No matter how many times Victoria Donovan repeats that phrase to herself, she's still trapped behind the walls of a mental institution. Once upon a time, her life was like a fantasy: Wes, the handsome fiancé, followed by a storybook wedding and a white picket fence. But then a picture-perfect marriage twisted into something sinister. And as Victoria's world warped from dream to nightmare, her husband's obsessions pushed her beyond the breaking point.

At first Fairfax Mental Health Institute seems like a safe place for Victoria to heal with her baby, Evelyn, and to hide from Wes, presumed dead by everyone except Victoria. Her husband is still alive, she has no doubt: He slips into her room at night to torment and tempt her. One smoldering kiss and she's powerless. Of course, no one believes her about these visits. When she meets a sexy, mysterious stranger intent on helping her recall her past, Victoria isn't sure she can trust him. But deep in her heart, she also knows that the only way out of Fairfax is to remember the way she came in.
