Veterinary Helminthology

S. C., Dr. Mandal

Veterinary Helminthology S. C., Dr. Mandal

What is new in this book? The book has been written in a different way. Every life cycle of the parasites has been presented in flow diagram. At the same time the life cycles have been Beads box of morphology and life cycles would be extremely helpful to the students. The matter has been distributed in a lucid language so that all type of students can easily remember the course material. Long tables of different aspects i.e. morphology, lifecycle, pathology, treatment etc. would be extremely helpful to the students. They will surely feel ease while preparing themselves about the course.
