Windows 10: The Personal Trainer covers all editions of Windows 10. In this book, I teach you how features work, why they work the way they do, and how to customize them to meet your needs. I also offer specific examples of how certain features can meet your needs, and how you can use other features to troubleshoot and resolve issues you might have. In addition, this book provides tips, best practices, and examples of how to fine-tune all major aspects of Windows 10. This book won't just teach you how to configure Windows 10; it will teach you how to squeeze every last bit of power out of it and make the most of the features and options it includes.

From reader reviews:

Jay Burke:

This Windows 10: The Personal Trainer book is not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book will be information inside this book incredible fresh, you will get info which is getting deeper you read a lot of information you will get. This Windows 10: The Personal Trainer without we recognize teach the one who reading through it become critical in imagining and analyzing. Don't become worry Windows 10: The Personal Trainer can bring when you are and not make your case space or bookshelves' turn into full because you can have it within your lovely laptop even phone. This Windows 10: The Personal Trainer having very good arrangement in word in addition to layout, so you will not feel uninterested in reading.

Frances Hayes:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you will have done when you have spare time, subsequently why you don't try matter that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Windows 10: The Personal Trainer, you can enjoy both. It is great combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its known as reading friends.

Sandra Alexander:

In this period of time globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. The particular book that recommended to your account is Windows 10: The Personal Trainer this reserve consist a lot of the information with the condition of this world now. This book was represented how does the world has grown up. The vocabulary styles that writer value to explain it is easy to understand. The particular writer made some research when he makes this book. This is why this book ideal all of you.

Pearl Dyson:

Is it you who having spare time in that case spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This Windows 10: The Personal Trainer can be the reply, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
