Anatomy of a Jury Seymour Wishman

Acclaimed author and respected attorney Seymour Wishman takes readers behind closed jury-room doors for an eye-opening exploration of American justice

In autumn 1982, in the affluent New Jersey community of Glen Ridge, a woman is found brutally murdered in her home. The victim's distraught husband points police to a likely perpetrator: an African American handyman with a criminal record. A search of the suspect's home reveals nothing, but still the man is indicted for the crime. His ultimate fate is to be determined by "a jury of his peers"—twelve strangers with no special legal skills or training and a fervent desire to do what is right.

Based on an actual criminal investigation and trial, Seymour Wishman's *Anatomy of a Jury* carries us from the crime scene to the courthouse to the jury room, providing a fascinating, in-depth look into the nation's criminal justice system. Riveting, detailed, and intensely dramatic, Wishman's remarkable book offers provocative insights into how we administer justice, how we judge others, and how others may judge us.

From reader reviews:

Minerva Gagliano:

Book is definitely written, printed, or created for everything. You can know everything you want by a reserve. Book has a different type. As it is known to us that book is important point to bring us around the world. Next to that you can your reading expertise was fluently. A reserve Anatomy of a Jury will make you to be smarter. You can feel considerably more confidence if you can know about everything. But some of you think that will open or reading a new book make you bored. It isn't make you fun. Why they could be thought like that? Have you looking for best book or suitable book with you?

Glen Thomas:

What do you regarding book? It is not important together with you? Or just adding material when you need something to explain what yours problem? How about your spare time? Or are you busy particular person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every person has many questions above. The doctor has to answer that question mainly because just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this Anatomy of a Jury to read.

Angela Kiefer:

Information is provisions for people to get better life, information presently can get by anyone on everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is within the former life are challenging to be find than now is taking seriously which one works to believe or which one the particular resource are convinced. If you obtain the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Anatomy of a Jury as the daily resource information.

Rachel Morris:

Beside that Anatomy of a Jury in your phone, it can give you a way to get nearer to the new knowledge or information. The information and the knowledge you might got here is fresh through the oven so don't become worry if you feel like an previous people live in narrow community. It is good thing to have Anatomy of a Jury because this book offers for you readable information. Do you sometimes have book but you do not get what it's all about. Oh come on, that would not happen if you have this with your hand. The Enjoyable arrangement here cannot be questionable, similar to treasuring beautiful island. Use you still want to miss that? Find this book as well as read it from now!
