## **Buda y el budismo (Spanish Edition)** André Senier

El budismo es actualmente una de las religiones más importantes del mundo, y del mundo occidental atendiendo al número de fieles (300.000 budistas en España, 200.000 en México, 900.000 en Francia...). Numerosa gente se interesa por la filosofía budista para incluirla en su vida cotidiana. Originario del área india del Ganges y difundido por la mayor parte de Asia, en la actualidad se ha ido implantando como ya hemos comentado en todo el mundo occidental. Su nombre tiene su origen en el calificativo con el que fue conocido su fundador, Buda, es decir, «despierto», «iluminado»; un término que hace referencia a la vez al personaje histórico que está en el origen de la doctrina y al estado que cada persona puede alcanzar si sigue el ejemplo del Maestro. Buda fue un ser que irradiaba con su presencia los lugares que recorría. Llegaba a los demás a través de su bondad y de su desinterés por las cosas materiales, de manera que rápidamente adquirió categoría de ejemplo. Con este libro aprenderá todo sobre esta gran figura y la doctrina que predicó: su vida, las fuentes históricas de la fe budista, las diferentes escuelas del budismo y su expansión... Una obra esencial para todos aquellos que quieran conocer a fondo el budismo y abrir su mente y su espíritu a las enseñanzas de una doctrina que aporta esperanzas y liberaciones.
