## **Elfquest: The Final Quest Volume 1** Richard Pini, Wendy Pini

For generations, the elves sought a safe haven against all who would do them harm. But the dream that Chief Cutter and his Wolfriders fought and died for, the Palace of the High Ones, may be the very thing destroying them. The skills that helped them survive the harsh world are fading, and there is a growing threat from a tyrant obsessed with exterminating all elves--creating a disastrous brew that must surely boil over. Volume 1 collects Wendy and Richard Pini's sixty-page special and the first six issues of The Final Quest, the newest adventures of the Wolfriders! "Even with a bit of a slowdown in pace, Wendy and Richard Pini's "Elfquest: The Final Quest" is a pleasant read. And with the setup for what's to come next time, I'm looking forward to seeing them in "60," as the old issues' letter-column liked to state things. I suspect readers who made it this far will agree." - Comic Book Resources "Elfquest is just one of those stories that you never want to end. It's so visually pleasing, I would be totally down for a virtual game or even just a tour of the palace. So yet again, Elfquest scores a five out of five." - Comic Bastards "Wendy Pini's art is as strong as it ever was, and we feel for the characters as they move forward in time and in their individual lives. The scripting augments the beautiful art so very well! If you're looking for some engaging fantasy, don't miss Elfquest: The Final Quest! It's something special and will pull you in from the first time you read it!" - Major Spoilers
