## **The Perfect Kill: 21 Laws for Assassins** Robert B. Baer

What is the definition of assassination? Robert B. Baer's boss at the CIA once told him, "It's a bullet with a man's name on it." Sometimes assassination is the senseless act of a psychotic, a bloodletting without social value. Other times, it can be the sanest and most humane way to change the course of conflict - one bullet, one death, case closed. Assassination has been dramatized by literature and politicized by infamous murders throughout history, and for Robert Baer, one of the most accomplished agents to ever work for the CIA, it's a source of endless fascination, speculation, and intrigue.

Over several decades, Baer served as an operative, from Iraq to New Delhi and beyond; notably, his career was the model for the acclaimed movie *Syriana*. In *The Perfect Kill*, he takes us on a serpentine adventure through the history of political murder; its connections to, and differences from, the ubiquitous use of drones in state-sponsored killing; his firsthand experience with political executions; and his decades-long cat-and-mouse hunt, across the Middle East and Europe, for the most effective and deadliest assassin of the modern age. A true maverick with an undeniably captivating personal story, Baer pulls back the curtain on the underbelly of world politics and the quiet murderers who operate on the fringe of our society.

#### **Peter Landon:**

As a college student exactly feel bored to be able to read. If their teacher requested them to go to the library or to make a summary for some reserve, they are complained. Just little students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So, this The Perfect Kill: 21 Laws for Assassins can make you really feel more interested to read.
