A Little Bit Country...

Emma Donovan ran off to Nashville when she was young and full of dreams. Now she's back home in Colorado with a little more common sense. And that sense is telling her not to count on Jamie Westland. He won't be around long—not with his big-time career in New York City.

Jamie's never felt at home, not with his adopted family, not with himself. Now, on his grandfather's ranch, the pieces of his life are coming together in a way that feels right. And Emma has so much to do with it. But when an opportunity comes along back in New York, he has to decide between his old life and the promise of a new one...with Emma.
