**Death in Brunswick: Text Classics** Boyd Oxlade

**A cult hit later made into a film starring John Clarke, Sam Neill and Zoe Carides, *Death in Brunswick* is a classic Australian comedy.**

Down on his luck and hard up for cash, Carl works in the kitchen of a seedy rock 'n' roll joint in ethnically diverse Brunswick. The bouncers and bosses terrify him, he's desperately in love with a much younger Greek waitress, and to make matters worse his mother has come down from Sydney to stay with him. Then a dead body turns up. He and his best mate, Dave, will have to do something about it, and fast - or it's goodnight, Carl.

With a new introduction by Shane Maloney, author of the Murray Whelan crime thrillers and head honcho of the Brunswick Institute.

**Boyd Oxlade** was born in Sydney, and educated in Ireland and Australia. He has worked in many occupations, including as a cook, gravedigger and gardener. He has written screenplays and poetry, but is best known for his comic novel, *Death in Brunswick*, published in 1987. Boyd co-wrote the screenplay with John Clarke, which was later made into an acclaimed 1991 film. He lives in Melbourne.

**Shane Maloney** is one of Australia's most popular novelists. His award-winning and much loved Murray Whelan series - *Stiff*, *The Brush-Off*, *Nice Try*, *The Big Ask*, *Something Fishy* and *Sucked In* - is characterised by a strong sense of humour and an acute sense of Melbourne's political and cultural nuances. He has been published in the UK, Germany, France, Britain, Japan, Finland and the U.S.
