**Duncan the Story Dragon** Amanda Driscoll

A charming story about the joys of reading that is perfect for fans of *Dog Loves Books* and *Stellaluna*.

Duncan the Dragon loves to read. When he reads a story, his imagination catches fire! Unfortunately . . . so does his book.

Fire breath is great for roasting marshmallows, but it's not so great for reading. Duncan just wants to get to those two wonderful words, like the last sip of a chocolate milk shake: The End. Will he *ever* find out how the story ends?

This bright, warm tale champions determination, friendship, and a love for books. And milk shakes!

*From the Hardcover edition.*

#### **Laura Hargis:**

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Duncan the Story Dragon can make you feel more interested to read.
