**A young girl is tormented by her new house's terrible past**

Martha wants to be happy for her father. She likes his new wife—even if she's a terrible cook—but she doesn't understand why they had to leave Chicago and move to this horrible house in the country. It's big, broken-down, and miles from anywhere, alone in the woods with nothing on the property but an overgrown cemetery. But at night it doesn't feel empty.

Conor—her new, weird stepbrother—chose Martha's new room for her. It's dark and drafty, and no matter how she tries to fix it up, she can't sleep easily there. At night, whispers come from the closet, filling Martha with a sense that something terrible happened here. She's right. Not long ago, the house was the site of a gruesome murder. When Conor and Martha's parents leave town on their honeymoon, the two teens will find out why the dead don't rest easy at the old Bedford house.

This ebook features an illustrated biography of Richie Tankersley Cusick including rare photos and never-before-seen documents from the author's personal collection.
