Celtic Soul Chas Hinton

This is a collection of poems both from the soul and heart of a Celtic poet, it contains dreams, wishes, visions and life and my hopes for the world as I see it for this mud ball we call Earth. My wish is that every one who reads this collection of my works will find some part of your self in one or more of my poems. I hope it plucks the strings of your heart and makes your sprit sing . But beware the song could be any thing from a love song to a Celtic song of battle. Feel that loved one in your arms or march in to battle with you Clan.
