## **Devils in Exile: A Novel** Chuck Hogan

Neal Maven comes home from his tour in Iraq to nothing—no job, no friends, no future. Then he meets Brad Royce, a fellow vet, charismatic and confident, with the lifestyle and the one woman Neal has always wanted: Danielle Vetti, Maven’s high-school dream girl. Royce offers Maven a spot on his team of vets who intercept major drug deals, take the dirty money, and destroy the product—an adrenaline-charged, get-rich scheme with a clear moral imperative. But is it too good to be true? With two psychotic hit men out for retaliation, a relentless DEA agent closing in, and more questions than answers about Royce, Maven suddenly finds he’s in too deep—and the truth may be his worst enemy.

Delivering “heart-stopping intensity” (*San Francisco Chronicle*) in all of his novels of suspense, Chuck Hogan nails a terrifying criminal underworld of lethal violence and complex friendships, loves, and rivalries in *Devils in Exile*.
