Establishing Your Orchard - Notes on Ploughing, Planning, and Planting - An Article with Study Questions Fred Coleman Sears

This early work on establishing an orchard is both expensive and hard to find in its first edition. It contains information on plowing, planning, planting and much more. This is a fascinating work and is thoroughly recommended for the amateur fruit grower. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
