Here is an all-new Park Pals adventure from the author of *PeeWee's Tale* and *Lexi's Tale*. When Plush, a female guinea pig, ends up in Central Park, PeeWee thinks he'll have a family soon. But at first, Plush would rather listen to classical music than explore the wild outdoors with him. Then PeeWee finds out that winter will be coming—something neither of them have ever faced. And for once, PeeWee's best friend, Lexi, who always has something smart to say, doesn't have much advice. Will PeeWee and Plush overcome their differences in time to prepare for the bitter cold?

Full of surprises, and featuring an adorable cast of guinea pig babies, this action-packed tale about building friendship and conquering fear is sure to find a special place in readers' hearts.
