Personalized Learning: Student-Designed Pathways to High School Graduation John H. Clarke

Your guide to making a whole-school move toward personalized learning!

Give students the freedom to map their own educational pathways and help them meet graduation standards! This book illustrates how to support students to take advantage of resources from the community, colleges, virtual platforms, and creative outlets to design their own education. Readers will:

- Hear from educators who have successfully steered schools toward personalized learning
- Get specific tips to help your entire staff implement key processes and measure outcomes
- Find answers to the big questions that threaten success
- Use models of prompts and rubrics to get your pilot program started
