Pharmacology of Oriental Plants: Proceedings of the First International Pharmacological Meeting, Stockholm, 22-25 August, 1961 Kuo Kang Chen, B. Mukerjee

Pharmacology of Oriental Plants is a collection of papers that details the advancement in research of the pharmacological properties of oriental plants.

The topics included in the text cover the chemical behavior and mode of action of plants. Several studies also tackle the medicinal properties of plants that undergo a specific process.

The book will be of great use to pharmacologists, botanists, biochemists, horticulturists, and physicians.

Advocates of natural and alternative medicine will also find the text interesting.
