The United States is known as the “Great Melting Pot,” yet a survey of our churches on Sunday Morning would reveal a noticeably different portrait of our ethnic make-up. Every facet of American culture is multi-ethnic. Yet, the Church is not. The church is segregated. Drawing from scripture, Derwin shows how the modern church is suffering from being homogenous and how we are not fulfilling our calling as effectively as we should be.

*The High-Definition Leader* is a call for churches and their leaders to grow out of ignorance, class-ism, racism, and greed into a flourishing and vibrant community of believers united in their devotion to serving God and sharing His love with the world.
