Why Can't We See Angels?

What Do Angels Look Like?

Where are Angels When We Need Them?

Children have a natural ability to accept the reality of angels. And angels are very important in their lives.

They are all around, and they are here to protect us. Using gentle and biblically-based text, author Larry Libby provides comforting answers to questions children (and adults) might ask about angels.

The warm, soft illustrations reassure young children that God's special messengers are always near, and God created them to watch over all of us.

Through imaginative and innovative products, Zonderkidz is feeding young souls.
