Foreword. REALIZING the tremendous interest that is now being directed by owners of country estates everywhere to the culture of the Persian or English "Walnut, I have compiled this little book with the idea of supplying the instruction needed on the planting, cultivation and harvesting of this most delicious of all nuts. I have gathered the material herein presented from a large number of trustworthy sources, using only such portions of each as would seem to be of prime importance to the intending grower. I am indebted to the United States Department of Agriculture and to numerous cultivators of the nut in all sections of the country. I have aimed at accuracy and brevity and hope the following pages will furnish just that practical information which I have felt has long been desired. THE COMPILER.
