## **Sons and Lovers (Dover Thrift Editions)** D.H. Lawrence

Torn between his passion for two women and his abiding attachment to his mother, young Paul Morel struggles with his desire to please everyone ? particularly himself. Lawrence's highly autobiographical novel unfolds against the backdrop of his native Nottinghamshire coal fields, amidst a working-class family dominated by a brutish father and a loving but overbearing mother. Lushly descriptive passages range from celebrations of natural beauty and sensual pleasures to searing indictments of the social blight engendered by industrialism. Essential reading for any study of 20th-century literature. Unabridged reprint of the classic 1913 edition.
