## **Heller with a Gun** Louis L'Amour

Tom Healy was in trouble. His theatrical troupe needed to get to Alder Gulch, Montana, and the weather was turning. Andy Barker promised Tom he could get them there safely, but Tom was reluctant to trust him: he had the lives of three actresses to consider, and his personal feelings for Janice further heightened his concern. Then King Mabry showed up. Although Tom didn't like the way he looked at Janice, he could see that Mabry made Barker uneasy. So Tom invited Mabry to join them. Tom was right to be worried, because Barker had a plan. He knew that the wagons carried something more than actors and scenery. He and his men were going to steal it any way they could. And that included murder.
