Introducing the Lessons of the Church Year: 3rd Edition

Frederick Borsch, George Woodward

Introducing the Lessons of the Church Year: 3rd Edition Frederick Borsch, George Woodward

The third edition is updated to the Revised Common Lectionary

Many of us have difficulty hearing the Bible as it is read to us in church Sunday after Sunday through the year. Even with the best intentions we come to the Word of God “cold” because we have not been given the skills and the preparation to hear and understand the content of Scripture.

These brief and insightful introductions to all the readings of the church’s three-year lectionary cycle are designed to sharpen our listening and increase comprehension of Scripture by summarizing each passage, setting it in a liturgical and historical context, connecting it to the season, and drawing out its relevance to our lives and faith, week by week.

This is an ideal tool for Christian formation as well as homiletical preparation. The style is clear, straightforward, well grounded in biblical scholarship, and Anglican in its theological approach. Extra features include an essay on the Bible and Christian formation, five brief use guides, an index to the biblical readings, and a summary of the seven most common Bible translations used in church services.
