SAS: Jungle Survival (SAS Essential Survival Guides) Barry Davies

The Special Air Service operates worldwide, often in remote and hostile locations where nature poses as much of a hazard as any enemy. In order to stay alive and complete their missions, SAS personnel are rigorously trained in the art of survival. This book is based on SAS training and techniques. As well as a section on basic survival techniques relevant to any hostile environment, this book contains specific details pertinent to survival in jungle areas, including finding shelter, protection from insects and predators, building and maintaining a fire and navigation problems peculiar to the jungle. Drawing on practical, first-hand knowledge, the entries are arranged in order of survival priority, with photographs, cutaway drawings and diagrams. Specially designed to fit in a rucksack or pocket, this book offers a potentially life-saving companion for any jungle adventure.
