2 Samuel (Brazos Theological Commentary on the Bible) Robert Barron

The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture credally for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. *2 Samuel*, like each commentary in the series, is designed to serve the church and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

"Robert Barron is a great teacher of the Church and a gifted biblical commentator who breaks open the Word of God for our day as Ambrose and Augustine did for theirs."

--**George Weigel**, Ethics and Public Policy Center

"In this book, Barron brings his theological erudition to the task of interpreting sacred scripture. The result will be a delight for all his readers. Not only will they relish the many profundities of the text, but they will be able to join the author in wrestling with its various conundrums. Even the challenging parts of David's life are handled in fresh, creative, and--most important--productive ways."

--**Gary Anderson**, University of Notre Dame

"Robert Barron has written a beautiful commentary on 2 Samuel, and it will be a tribute to the series. He has a keen sense of the subtlety of the narrative and the imagination to draw theological and spiritual meaning from particulars. Yet he is neither doctrinaire nor heavy-handed; his interpretations always grow out of the story and do not become theological disquisitions. Barron writes well, and this commentary is a pleasure to read. Even serious readers of the Bible will delight in the surprising things he discerns in the narrative."

--**Robert Louis Wilken**, University of Virginia

General editor: **R. R. Reno** (editor, *First Things*)

Series editors: **Robert W. Jenson** (Center of Theological Inquiry)

Robert Louis Wilken (University of Virginia)

Ephraim Radner (Wycliffe College, University of Toronto)

Michael Root (Catholic University of America)

George Sumner (Wycliffe College, University of Toronto)
