Bring the Heat: A Sugarland Blue Novel Jo Davis

The author of *On the Run* and the Firefighters of Station Five series once again proves that nothing is hotter than loving a man in uniform—or more dangerous...

Being on the Sugarland P.D. means never backing down, no matter how intense the case—or how dangerous the attraction...

Captain Austin Rainey knows all too well that being a good cop sometimes means gaining some bad enemies. After his ex-wife is killed, he finds himself on the wrong side of the law, trying to prove he's innocent of her murder. The last thing he needs is a distraction—especially of the irresistible female kind...

Medical examiner Laura Eden has always found Austin more than a little intriguing, but she's kept her feelings under wraps. Now she's determined to do her job and clear his name—but as her investigation brings them into close proximity, she can't deny the attraction between them—or resist the temptation he presents.

But Laura and Austin soon realize their budding feelings might be more than emotionally perilous. Someone is coming after everyone Austin holds dear—and Laura might be the next one in the line of fire...
