Bug: A Play

Tracy Letts

Bug: A Play Tracy Letts

This dark comedy takes place in a seedy motel room outside Oklahoma City, where Agnes, a drug-addled cocktail waitress, is hiding from her ex-con ex-husband. Her lesbian biker friend R.C. introduces her to Peter, a handsome drifter who might be an AWOL Gulf War veteran. They soon begin a relationship that takes place almost entirely within the increasingly claustrophobic confines of her motel room. Peter begins to rant about the war in Iraq, UFOs, the Oklahoma City bombings, cult suicides, and then secret government experiment on soldiers, of which he believes he is a victim. His delusions infect Agnes and the tension mounts as mysterious strangers appear at their door, past events haunt them at every turn and they are attacked by real bugs. Tracy Letts's tale of love, paranoia, and government conspiracy is a thought-provoking psycho-thriller that mixes terror and laughter at a fever pitch.
