**Fractales De Dios (Spanish Edition)** Kathy J. Forti, Phd

A partir de la experiencia cercana a la muerte de una mujer, se desarrolla una sorprendente historia que explora las profundidades de la creación del hombre y el proyecto mismo de su creación. La sicóloga clínica, la Dra. Kathy Forti, nos comparte su experiencia en el año 2003, cuando su corazón se detuvo y fue ayudada por seres de luz multidimensionales para que volviese a la Tierra. La meta de estos seres es traer la sanación a nuestro mundo. Con sus nuevos Guías, ella investigó el mundo de las físicas y la geometría sagrada, con ello aprendió cómo cierta información matemática clave puede afectar nuestra consciencia y nuestras células. Las experiencias místicas de la Dra. Forti cambiarán para siempre sus conceptos sobre la vida, la sanación y el verdadero potencial del hombre para llegar a un cambio evolutivo. Esta profunda y reveladora historia narra el propósito de la esencia de nuestras almas, para que podamos encontrar una mayor conexión con la Fuente Divina que se encuentra en todos los seres vivos.

#### **Ruth Jones:**

Reading can called brain hangout, why? Because if you are reading a book particularly book entitled Fractales De Dios (Spanish Edition) your thoughts will drift away trough every dimension, wandering in every single aspect that maybe unfamiliar for but surely can become your mind friends. Imaging just about every word written in a book then become one type conclusion and explanation that maybe you never get just before. The Fractales De Dios (Spanish Edition) giving you one more experience more than blown away the mind but also giving you useful facts for your better life within this era. So now let us teach you the relaxing pattern this is your body and mind will probably be pleased when you are finished examining it, like winning a sport. Do you want to try this extraordinary shelling out spare time activity?

#### **Mary Barnett:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Fractales De Dios (Spanish Edition) can make you really feel more interested to read.
