Queen Mary 2: The Greatest Ocean Liner of Our Time John Maxtone-Graham, Harvey Lloyd

In January 2004, Cunard Line's latest flagship, the stupendous Queen Mary 2, will sail on her maiden voyage from England. Not merely a cruise ship, this fourth Cunard Queen is a true ocean liner, able to cross the Atlantic in all weathers at high speed, sustaining the company's celebrated heritage. The Queen Mary 2 book documents the creation of this remarkable vessel from keel laying to christening. This book features stunning four-colour photographs and paintings, details of design, construction, engines, lavish interiors, sea trails, and christening. It also contains archival images juxtaposing her significance against her predecessors. An eight-page gatefold shows a detailed cutaway of the remarkable interiors.
