R (Persian Edition) Robab Moheb

By choosing the first alphabet of her name 'R', Robab Moheb shades the circle around her thoughts on her own life. 'R' is a retrospective to herself and 'herself' a circularity, with a radius that once collapses into a point, an infinitesimal point: a zero resulting from life, a zero which is not futile. A zero has an inner momentum which is infinitesimal but infinite. And she, is exactly scarred about this introvert infinity. In the broad horizon of her zeros, she raises questions and does not find to the answers "what am I searching for on the riffs?" Robab Moheb applies a terminological series, words which all start with 'R' and rotates the poetic flow into a meditative climax, and opens new perspectives.
