El regreso de los niños de la luz: Profecías de los Inca y Maya para un nuevo mundo (Spanish Edition)

Judith Bluestone Polich

A personal exploration of the conjunction between ancient Mesoamerican prophecy and New Age higher consciousness

- Selected by the Independent Publisher's Book Awards as one of the top two New Age books of the year
- Explores ancient prophecies and their relevance in the contemporary world

The Incan and Mayan cultures saw themselves as “children of light”--descended from celestial realms--and their prophecies foretell a time of great spiritual awakening. As the ancients predicted, the human god-seed is beginning to awaken, and modern civilization is finally beginning to perceive human potential in ways that the ancient cultures accepted as truth. Polich introduces techniques for awakening our own human potential through dreaming, meditations, and the power of sacred sites.
