**Spring Break** Barbara Steiner

**Five high school kids get their dream vacation—which soon turns into a nightmare**

Angie, her brother, and her three best friends anticipate the perfect spring break when their prayers are answered—a beach vacation without parents! The only problem is finding somewhere to stay—turns out every hotel is filled with other spring breakers. They luck out when they find a three-story beach-house rental, which happens to be run by the incredibly handsome Val. Is it too good to be true?

Soon, Angie starts hearing strange noises—footsteps, a mysterious sound of crying. Her friends say her imagination is getting the best of her, but when one by one, they go missing, she knows the danger is real . . . and this vacation could be her last.

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Spring Break can make you experience more interested to read.
