The Dead Secret [with Biographical Introduction] Wilkie Collins

William Wilkie Collins (1824-1889) is best known as the innovator of the English detective novel, whose sensational novels, plays, and short stories were hugely popular in the Victorian era. Today, readers enjoy Collins' intricate and suspenseful plots, and his penetrating social commentary on the plight of women and domestic issues of the time. Unfortunately Collins suffered from rheumatic gout, for which he took the opiate laudanum, and which eventually led to paranoid delusions and the deterioration of his health. The first full length novel by Collins, "The Dead Secret", was originally written for serialization. A tale of unrelenting suspense and penetrating characterization, "The Dead Secret" tells of a mystery surrounding an untold secret of a dying wealthy woman. This woman's secret is shared only with her servant. Despite the woman's dying wish, the servant does not expose this secret but ends with an unpleasant result. Eventually the secret is revealed and all is understood in this blend of romance and Gothic drama.

In this particular era which is the greater person or who has ability in doing something more are more special than other. Do you want to become one of it? It is just simple way to have that. What you have to do is just spending your time little but quite enough to experience a look at some books. On the list of books in the top collection in your reading list is The Dead Secret [with Biographical Introduction]. This book which is qualified as The Hungry Hillside can get you closer in turning into precious person. By looking up and review this reserve you can get many advantages.

Misty Ware:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Dead Secret [with Biographical Introduction] can make you feel more interested to read.
