Back to Life After a Heart Crisis: A Doctor and His Wife Share Their 8 Step Cardiac Comeback Plan

Marc Wallack M.D., Jamie Colby

A Wall Street Journal Top Pick of 2010

A well-known and internationally recognized surgical oncologist, Dr. Marc Wallack kept fit by training as an avid marathoner. He was the rock of his family, at the top of his career, and an expert on health who practiced what he preached-until he suffered angina symptoms while on a run in Central Park. Two days later, after discovering his arteries were 95 percent blocked, he underwent quadruple bypass surgery and later found himself unprepared for the emotional fallout of his recovery.

In *Back to Life After a Heart Crisis*, Dr. Wallack and his wife, journalist Jamie Colby, offer their moving personal story along with a one-of-a-kind, prescriptive guide for reclaiming your life after confronting the issues of mortality and vulnerability raised by a traumatic heart event-whether it be a heart attack or a surgical procedure. Brimming with inspiration and encouragement, this unique book shows readers how to regain emotional strength in tandem with healing physically by working through eight important milestones:

- *Conquer the night
- *Get outside
- *Survive doctors' appointments
- *Face physical and emotional pain
- *Make love to your partner again
- *Face your dinner plate
- *Confront career issues
- *Take on a huge physical challenge

With sidebars and tips for caregivers, *Back to Life After a Heart Crisis* helps patients and their loved ones heal hearts *and* minds and feel vibrant and full of life again.

William Grant:

Information is provisions for anyone to get better life, information these days can get by anyone with everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is inside former life are challenging be find than now's taking seriously which one is acceptable to believe or which one often the resource are convinced. If you obtain the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take Back to Life After a Heart Crisis: A Doctor and His Wife Share Their 8 Step Cardiac Comeback Plan as the daily resource information.

Adam Gutierrez:

Are you kind of stressful person, only have 10 or even 15 minute in your time to upgrading your mind skill or thinking skill possibly analytical thinking? Then you are having problem with the book when compared with can satisfy your short time to read it because all of this time you only find e-book that need more time to be study. Back to Life After a Heart Crisis: A Doctor and His Wife Share Their 8 Step Cardiac Comeback Plan can be your answer given it can be read by anyone who have those short spare time problems.

Peter Singleton:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Back to Life After a Heart Crisis: A Doctor and His Wife Share Their 8 Step Cardiac Comeback Plan can make you experience more interested to read.
