## **Grounded (Oberon Modern Plays)** George Brant

Seamlessly blending the personal and the political, *Grounded* tells the story of a hot-rod F16 fighter pilot whose unexpected pregnancy ends her career in the sky. Repurposed to flying remote-controlled drones in the Middle East from an air-conditioned trailer near Vegas, the Pilot struggles through surreal twelve-hour shifts far from the battlefield, hunting terrorists by day and being a wife and mother by night. A tour de force play for one actress, *Grounded* flies from the heights of lyricism to the shallows of workaday existence, targeting our assumptions about war, family, and the power of storytelling.
